## Student Profile

Mary, Elizabeth and Stacey

*Course: Numeracy Levels 1 and 2*

No one ever gave us any time at school, here you can talk to the tutor any time. This time around we can ask questions and get good explanations. It's all relevant stuff too, for example today we're looking at a pancake recipe and working out weights and measures. Everyone gets treated the same here and it's a small group. It's a great opportunity to learn everything in metric and it's given us all more confidence.

For more information, call Anne on

If you care for a friend or relative and live in B&NES you may be eligible for funding for some of these courses.

## We want to know what you want?!

We're continually working to develop courses at Peasedown Learning Centre and would very much like to gain feedback from Peasedown residents about the kinds of courses you would like to see, from short taster sessions and workshops through to longer courses.

For more information about Peasedown Learning Centre please call Anne on 01761 436380

## English Classes

If English isn't your main language you can do a course to help you improve. For more information about ESOL courses call 01761 433161 or email [skillsforlife@nortcoll.ac.uk](mailto:skillsforlife@nortcoll.ac.uk)
