

What do you think?

First Bus has announced that from November 29th they are cutting the frequency of bus services through Peasedown St John.

Following the announcement, Cllr Nathan Hartley met with Justin Davies (Managing Director) and Simon Cursio (Commercial Director) from First Bus. During the meeting, they confirmed that the cuts would be going ahead – but an increase would be considered in the future if demand picks up.

Nathan is working with local resident and Somer Valley FM radio show host Matt Clifford (*both pictured left*) to gain people's views on public transport.
